Eastwood

Cost

\$200 – includes lunch

Content

- Encouraging kids to join... and to return each week
- Effective and fun warm ups
- Using your choir to foster teamwork, encourage risk taking and nurture shy students
- Teaching kids of all ages and abilities vocal technique
- Helping the non-singers sing... in tune
- Simple and effective repertoire for school assemblies, concerts, eisteddfods and presentation evenings
- Five things every practice should include
- Structuring each session
- Designing your Semester long programme
- Using rounds, percussion and singing patterns to foster part singing
- Listening closely and providing accurate feedback
- Practical, easy to achieve conducting tips
- How to make your choir sound (and look) good on stage

Each registered participant will take home a resource booklet with warm ups, activities, two age-appropriate songs with sheet music and word sheets for use at their school and a CD with learning and backing tracks.
